CONNECTING TO SELF

D. Read the incidents. Work in small groups to role play the situations in which they showed their presence of mind. Each group should perform the skit for the rest of the class. Share similar situations in the class.

MUMBAI: A brave 10-year-old girl applied her school lessons and saved 16 lives even as the fire at Crystal Towers in the Parel area of Central Mumbai killed four and injured another 16 people on Wednesday.

Zen Sadavarte, who is a class 3 student, was sleeping when her mother spotted the smoke at around 8 am. Zen was trapped on the 12th floor of the 16 storied-building where the fire had started. However, without getting deterred Zen showed presence of mind and applied the safety tips taught to her in school to save the lives of her family members and neighbours.

Upon spotting fire, as everybody rushed out for safety, an asthmatic girl was feeling breathless. Upon hearing her mother cry, Zen quickly took pieces of cloth from her house, wet them and urged her family and neighbours to cover their noses with them and breathe through it.

PUDHUCHERY: When at first C. Vijaykumar saw his son, V.N.C. Revin, running towards the security guard at the Jipmer auditorium, he did not know what had happened.

The two were walking in the institute's campus last November when the incident occurred. On catching up, Mr. Vijaykumar understood that his son had spotted an electrical equipment sparking due to short circuit, and had gone up to the guard to inform him. Young Revin took his father's phone and immediately dialled 101 to alert the fire brigade.

With his presence of mind, the boy was able to avert a major fire accident, and for this, he was awarded a bravery award by Chief Minister N. Rangasamy at the Independence Day celebrations last week.
