Formatting Options

Almost all the formatting options are available under Format menu. LibreOffice Writer also conveniently provides buttons for the most commonly used options. But before these options can be used, the text on which they are to be used has to be selected. Once the desired portion of the text is selected then depending on the need any one of the following buttons are clicked:

Click **B** to make text Bold.

Click *I* to make text Italic.

Click U to make text Underlined.

The same can also be achieved by clicking on Format → Character

Alternatively Ctrl + B, Ctrl+I and Ctrl+U keys can be used to make the selected text bold, italic and underlined respectively.

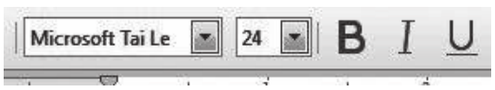
Changing the Fonts

A font is a set of characters and numbers in a certain style. Each font looks different from other fonts.

Click the down arrow in the Fonts Combo box of font tab in Character dialog box.

Use Format →Character to open the Character dialog box.

From the list of available fonts, click the required one.



The text changes to the selected font.
