The Sultans of Delhi introduced a new type of architecture. The monuments they built had arches, domes and minarets as the main features. The inscriptions in these monuments contain rich information, which can be used to construct history. The medieval Khajuraho monuments (Madhya Pradesh) and temples in Konark (Odisha) and Dilwara (Mt.Abu, Rajasthan) constitute valuable sources to understand the religion-centered cultural evolution in northern India. Temples in Thanjavur (Brihadeshwara), Gangaikonda Cholapuram and Darasuram symbolise the magnificent structures the Later Cholas built in Tamil Nadu. Vitala and Virupaksha temples at Hampi similarly speak of the contribution of Vijayanagara rulers (15th century).

Hampi - Vijayanagar

Quwwat-ul Islam Masjid, Moth-ki-Masjid, Jama Masjid, Fatehpur Sikri Dargah (all in and around Delhi) and Charminar (Hyderabad) are the important mosques belonging to the medieval times.

Charminar

The forts of historical importance are Agra Fort, Chittor Fort, Gwalior Fort and Delhi Red Fort as well as the forts of Daulatabad (Aurangabad) and Firoz Shah Kotla (Delhi). Palaces in Jaipur, Jaisalmer and Jodhpur signify the greatness of the Rajput dynasty that wielded enormous power from these places. Qutb Minar and Alai-Darwaza, the tombs of Iltutmish, Balban and all the Mughal rulers are the other prominent structures recognised as valuable sources of information. Cities in ruin such as Firozabad and Tughlaqabad in North India and Hampi in South India remain rich repositories of the history of medieval India.

Coins

The portrait and the legend on the coins convey the names of kings with their titles, events, places, dates, dynasties and Royal emblems. The composition of metals in the coins gives us information on the economic condition of the empire. Mention of king's achievements like military conquests, territorial expansion, trade links and religious faith can also be found in the coins.

Muhammad Ghori had stamped the figure of Goddess Lakshmi on his gold coins and had his name inscribed on it. This coin tells us that this early Turkish invader was in all likelihood liberal in religious outlook.

Copper Jitals are available for the study of the period of the Delhi Sultans.
