3. Wood Pulp and Paper Industry

About 50 per cent of the world's wood pulp and newsprint is produced by North America. Canada is the largest producer and exporter of all kinds of paper in the world. Paper industries are particularly concentrated in Ontario in Canada.

4. Textiles Industry

The textiles industry includes the manufacturing of all textiles like cotton, woolen, and synthetic. The United States is the largest producer of Cotton Textiles. The industries are mainly located in Texas. California, Arizona, Mississippi, Arkansas, and Louisiana. Toronto, Cornwell and Kingston are the major centres in Canada. Moreover, the cool and wet climate of the area is most suitable for spinning and weaving, as the yarn does not break frequently. The Woolen Textile industries are located in the east of the Alleghany Plateau. The New England region contains 70% woolen textile industries. North America is the second largest producer of synthetic fibers. Rayon and other synthetic fibers are made up of cellulose obtained from wood Pulp.

5. The Meat - Packing Industry

This is an important industry in Canada and USA where cattle rearing is done on a large scale in the Prairies. Chicago, Kansas City, Saint Louis in the United States and Calgary and Winnipeg in Canada are the important meat-packing centres.

Population

Most of the people in North America are descendants of settlers from other parts of the World. The first among them were, the Europeans, arrived in the 16th century. Today, the small groups of Native Americans that remain have their own territories and followed a traditional way of life.

Population distribution

The current population of North America as 364,446,736 in the year 2018. North America has about 4.77 % of the total world's population. The largest country by land area is Canada. The largest city by population is Mexico City. The population density is about 20 persons per Sq. km.

Population and Density of North America

S. No.	Country	Population (in Millions)	Density
1.	United States	327.16	30 persons
2.	Canada	36.95	3 persons
3.	Mexico	123.00	51 persons

Densely populated areas: Eastern part of North America, Great Lakes region, Florida, California, Mexico and Central America are the mostly densely populated areas.
